Volunteer Opportunities

Eden Housing is a non-profit organization whose mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Volunteer Your Time!

Are you interested in making an impact on the life of a low-income youth, adult, or senior? Then come volunteer with Eden Housing. You can help our residents learn new skills, build a stronger community and have fun. We have over 130 properties in Alameda, Contra Costa, Los Angeles, Marin, Monterey, Orange, San Benito, Santa Clara, Santa Cruz, San Diego, San Joaquin, San Mateo, Solano, and Sonoma counties. At Eden Housing, we can schedule and host multiple, large groups of volunteers on the same day across our portfolio or in one focused geographic region.

Group volunteer projects include:

- Beautification projects: painting or cleaning a property or outdoor community space to make it more welcoming
- Hosting and serving a community meal with residents
- Working in one of our community gardens, building raised beds, planting and pulling weeds

Individual and ongoing volunteer opportunities include:

- Facilitate one-time or on-going workshops on financial education, computer technology, arts and crafts, nutrition, etc.
- Tutor or mentor youth in our after school program
- Work one-on-one with a senior resident as a technology tutor
