Cranes Landing Apartments will process 4 to 5 applications for each available apartment and send out the appropriate number of interview letters to meet this target.

An apartment is assigned once all third party verification forms are returned, income calculations are completed and the file is deemed approved by Eden staff. Apartments are then assigned based on the “first approved file,” regardless of lottery number or application date.

Applicants not contacted will be converted to the waiting list upon completion of the lease-up at 100% occupancy. Applications submitted during the lottery will remain in lottery number order and applications submitted after the lottery will remain in application date.

As apartments become vacant and turn over, applicants on the waiting list are contacted in order of lottery (waiting list) number and application date if received after the lottery.
