MIRAFLORES HOUSING DEVELOPMENT
HONORING THE PAST, CREATING A NEW BEGINNING
REVITALIZATION KICKOFF - MARCH 30, 2011
Richmond Community Redevelopment Agency, Community Housing Development Corporation and Eden Housing invite you to the

**Miraflores Housing Development Revitalization Kickoff**

**Honoring the Past, Creating a New Beginning**

South 47th Street at Florida Avenue, Richmond, CA 94804

Wednesday, March 30th, 2011 at 10:00 am

Miraflores is a story of commitment to place and community. It is the story of three Japanese-American families who contributed to the community by growing and distributing flowers. Despite the adversity and injustice of World War II internment, the families remained committed to their property and to Richmond. In 2006, Richmond Community Redevelopment Agency purchased the 14 acre property from the Sakai, Oishi and Endo families. Miraflores represents a commitment to the site’s restoration, clean-up and community participation in the reuse of this asset. The proposed Miraflores Housing Development includes: preservation of historic structures; creek restoration within a four acre greenbelt; over 200 new homes in a sustainable, LEED for Neighborhood Development certified community; and creation of over 300 jobs. Miraflores, a public-private partnership, will provide approximately 150 market rate homes for sale and 80 apartments affordable to seniors with very low incomes.

Revitalization of Miraflores is made possible by the US Department of Housing and Urban Development, US Environmental Protection Agency, CA Natural Resources Agency, CA Department of Toxic Substances Control, CA Pollution Control Financing Agency, Richmond Community Redevelopment Agency and Opportunity Fund.

Refreshments will be served.

**Please RSVP by March 25th to (510) 247-8127 or rsvp@edenhousing.org.**
